

It is with great pleasure that we submit this recommendation for David Cooley as a musician, performer, and master of ceremonies. He recently played for our daughter and son-in-law's wedding reception and we couldn't have been more pleased with his performance. The entire process of arranging the details prior to the reception was professionally handled by David. He was easy to communicate with and had many helpful planning suggestions. The reception went beautifully, the music was great, and the entire group of musicians created an atmosphere of celebration and fun. David did a great job during the reception of helping us create a smooth flow to the events. Our guests had a wonderful time, loved the music, and many told us that it was the best group they had heard at any party.

Many thanks to David for the terrific performance, and for the special song you played, and for the cd you left for Jill and Erik after the reception. I wish we could do it all again. It was a wonderful time to which you and your group were a major contributor.

*Sincere Appreciation,
The Garland & Olson Families*
